

Instructions for game shows on www.precrest-education.com

1. Follow the hyperlink above and the following will appear. (It is a big file.)

My Quiz Show

loading: 637kb of 3926kb

2. Click ok after the flash file opens. Nothing will be downloaded to your computer.

3. Select how many players.

4. Select player names.

5. Select characters. (This one looks normal.)

6. Relax, play and have fun! (Beware of noise!)

The display may look different based on game settings. Have fun!
